BOOST YOUR CAREER

**Aircraft
Mechanic's
Apprenticeship
(m/f)**

Bourraoui Chihab,
Line & Hangar Maintenance Technician

Cargolux Airlines International is looking for motivated apprentices aiming to become aircraft mechanics (EASA Part-66-B1 or -B2). This international apprenticeship is recognized in all EU countries and beyond.

What do you need to join our team?

A finalized secondary technical education or an apprenticeship with focus on mechanics, electrical engineering, mechatronic or equivalent, fluency in written and spoken English and team spirit.

Additional information

The two-year program takes place in collaboration with the Lycée Privé Emile Metz (www.ltpem.lu).
